

## Material on folic acid

To better inform your customers on the prevention of spina bifida by folic acid, we offer different tools:

- Banner (**French Only**). Format 17 x 22 inches
- A brochure intitled « Vous pouvez prévenir certaines malformations » (**french**) or « Folic acid It's never too early »
- Bookmark (french only). Format 8<sup>1/2</sup> x 2<sup>1/4</sup> inches
- Tent-Card (bilingual). Format 8 x 5<sup>1/2</sup> inches
- A CD-R containing a presentation on folic acid (Powerpoint 2000 document; in **french** or in english)

All these documents are available for free (**Only shipping fees will be charged**)! Order them now!

How many of each tool do you want?
